Basketball Tournament Volunteers Needed

This week is the final week to help out at the Basketball Tournament. If you don't need volunteer hours toward your Assessment Fee credit, please volunteer anyways. Your school needs you – especially this weekend! If you need some hours to finish getting your Assessment Credit (10 hours=\$50 credit, maximum \$100), here's a great opportunity.

Please consider at least one of the shifts below. You may sign up by using the online form on the **Basketball** page on the school web site (www.stesonline.org/id24.html), or by sending an email with the date/time/position to thepiks@prodigy.net, or by calling 203 452-7248.

If you have any questions, please contact Janet Pikulik at thepiks@prodigy.net or 203 452-7248. Thank you.

- Grade 5 – Cameron & Frank
- Grade 6 – Peter & Erin

St. Jude's Math-a-thon

St. Jude's Math-a-thon is a wonderful way to help children who are sick. St. Jude's Children's hospital is free to children. Students ask for sponsors to give a donation for completing math problems in the booklet. You can even do the math problems online!

Sign up by January 31

Math booklets are due back by February 13

- Here is an excerpt from St. Jude's email to Mrs. Ornella that shows that kids really make a difference with their work:

During the 2010-2011 school year, more than 7,000 schools participated in the St. Jude Math-A-Thon program. Collectively, you helped raise over \$14 million dollars for St. Jude Children's Research Hospital. Every dollar counts at St. Jude, and your support helps kids like Max that are fighting pediatric cancer and deadly diseases.
- St. Jude's also offers wonderful rewards to the students for their hard work. This year raise at least \$1,000 during the 2011-2012 school year, and one of your students could win a trip to visit Nickelodeon Studios.

Computer Graphic Design Winners!

Grades 5 through 8 were asked to create a t-shirt design and a cover for the Silver Anniversary of the St. Theresa Basketball Tournament. As graphic designers they were given the design criteria of the client and got down to work. The designs were judged by the Basketball Tournament Committee.

Congratulations go to Frank in Grade 5 for his brochure cover design, Anthony D. in Grade 7 for his t-shirt design for the front of the t-shirt, and Daniela in Grade 6 the design on the back of the t-shirt!
